DETAILED ACTION

1. The replacement sheet drawings were received on December 27, 2005. These drawings are accepted.
2. Claims 1-22 in condition for allowance.
3. The following is an examiner's statement of reasons for allowance: The prior arts of record do not disclose alone or in combination a first integration module that integrates the angular acceleration, which is measured by said angular acceleration measurement module, to give a time integration thereof since detection of the skid by said first skid detection module; a first torque restoration control module that, in response to at least a reducing tendency of the skid, restores the torque output, which is restricted by said first torque restriction control module, according to the time integration of the angular acceleration given by said first integration module and controls said motor with the restored torque output..

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Tyrone W. Smith whose telephone number is 571-272-2075. The examiner can normally be reached on weekdays from 8:30am to 5:00pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David Martin, can be reached on 571-272-2800 ext. 37. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
